

Llanharry Community Council

Investment Policy

MANAGEMENT

- The members of the Council are responsible for the management of any investments with consideration given to any advice from the responsible financial officer.

GENERAL INVESTMENT PRINCIPLES

- Investments shall be made solely in the interests of the Council.
- Investments shall be made to obtain the best financial return for the Council, consistent with prudence and the need to ensure adequate spread and diversification of assets.

REVIEW

- A review of investments shall be carried out at least annually.
