3. DISCLOSURE OF INTERESTS

No interests were declared.

4. MEETING WITH KATY THOMAS, MOTHERS MATTER

Katy Thomas informed members of the success of the venture to-date and how they would like to transfer all their functions to the Taff area due to the fact that most of their families are from this area. They have looked at premises in the area but would like to discuss the possibility of operating out of the Ambulance Hall.

This ideally would lead to the transfer of the clerical functions to the council chamber and the formation of two counselling pods.

This would not impact on the use of the hall for the council or any groups operating from there in the evenings.

They have funding available but would be looking for a 10-year lease on the building.

Members stated the need to look into the covenant on the hall and to put the proposal to the full council

The meeting closed at 7.40 p.m.
